2019 DOUBLE EAGLE WHITE WINE NAPA VALLEY

VINTAGE

Like 2018 before it, 2019 was another stellar growing season in Napa Valley, producing slightly smaller yields displaying a marvelous blend of energy and richness. Late spring rains gave way to a moderate growing season, with few extremes and consistent morning fog. The vintage's long hangtime culminated in an especially warm fall that teased out further concentration to complement the fully developed flavors and fresh acidity. Overall, the 2019 vintage gave us beautifully balanced, richly flavored and brightly focused wines.

WINEMAKING

Classically Bordeaux in style, our Double Eagle White is treated to winemaking that expresses the signature texture and tension of the organically farmed Sauvignon Blanc grown at our uniquely cool Lovall Valley estate vineyard. Grapes for the 2019 Double Eagle White were whole cluster pressed and cold soaked before being fermented and aged in a mix of concrete egg and French oak barrels.

APPELLATION	Napa Valley
WINEMAKER	Philippe Melka
AGING	100% Sauvignon Blanc
CASES	442
PH	3.21
TA	0.59
ALC	14.2
