2020 DOUBLE EAGLE SAUVIGNON BLANC

NAPA VALLEY

VINTAGE

A superior vintage for our Sauvignon Blanc, 2020's combination of low winter rainfall followed by a long, warm growing season served to concentrate fruit flavors, heighten bright acidity and amplify our site's signature aromatics.

WINEMAKING

Double Eagle Sauvignon Blanc's distinct combination of verve and complexity results from our non-traditional mix of fermentation and aging vessels. To begin, grapes from our organically farmed estate vineyard are harvested early in the morning to retain fresh fruit flavors and aromatics. Once in the cellar, the grapes are whole cluster pressed and cold soaked before being cold fermented for three months in concrete egg and aged sur lie in a mix of concrete egg and French oak barrels. After final blending, the 2020 Double Eagle Sauvignon Blanc was bottled unfined in June of 2020.
