Mouth-filling richness and seamless integration are the hallmarks of Grieve Family Estate Sauvignon Blanc. The near-perfect 2018 growing season promoted an incredibly vivid core of melon and stone fruit buoyed by bright acidity and finessed by a lilting, wet stone impression that lingers on the long, refreshing finish.

**95pts** "Rich, medium to full-bodied, and textured, yet still with gorgeous acidity, this is a brilliant, layered wine to drink over the coming 2-4 years. I wouldn't be surprised to see it keep longer as well."
