GRIEVE FAMILY ESTATE

SAUVIGNON BLANC

NAPA VALLEY

TASTING NOTE

Mouthfilling richness, deft balance and seamless integration are the hallmarks of Grieve Family Estate Sauvignon Blanc. The near-perfect 2019 growing season promoted an incredibly vivid core of melon and stone fruit buoyed by bright acidity and finessed by a lilting, wet stone impression that lingers on the long, refreshing finish.

REVIEW

95pts: "A brilliant white, the 2019 Sauvignon Blanc from Grieve Family comes from a cooler terroir and was brought up in French oak and concrete. Racy melon, lemon, and hints of tropical fruits give way to a fresh, lively, medium-bodied beauty with stunning purity and well as precision. It should keep for 5-7 years if not longer." – Jeb Dunnuck
